THE TIP-OFF

HOW TO USE www.thetipoffguide.com

Know When. Know Where. Watch More.

The Tip-Off is a free guide to every women's basketball game: the WNBA, Division I college, Unrivaled, the UpShot League and Olympic & FIBA. It shows when each game tips off, which channel or app carries it, and whether you can watch it free. No account, no app to download.

GET STARTED IN 60 SECONDS

1 Open thetipoffguide.com

Works on any phone or computer. On a phone, use "Add to Home Screen" to keep it one tap away.

2 See what's on today

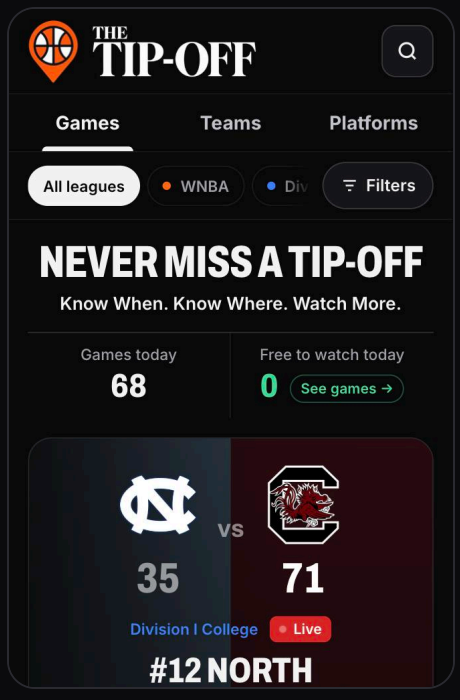

The featured game, live scores and today's schedule are right on the home page. Tap any game for details.

3 Follow your teams

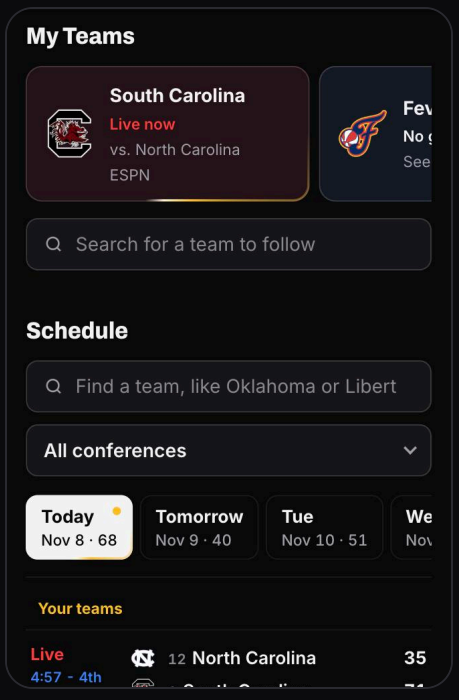

In **My Teams**, tap a quick pick or search any team. Its next game stays front and center every visit.

4 Tap "Where to watch"

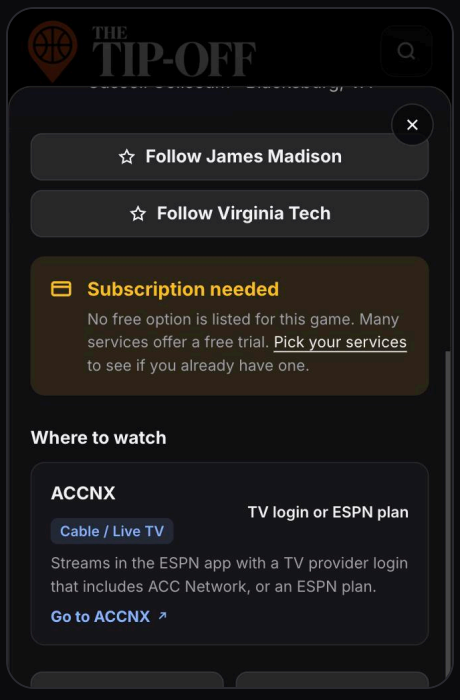

Every game lists its channels and apps, marked **Free** or **Subscription needed**.

HANDY FEATURES

- **Filters:** show only Free games, only Paid, or **Mine**: games on the services you already have.
- **League chips:** narrow everything to one league, like the WNBA or Division I College.
- **Schedule:** browse day by day, find a team, or filter by conference.
- **US / Canada:** switch to see the channels where you live.
- **Search:** the search icon finds any team, game or platform, and tells you when that team plays next.
- **Add to calendar:** save a game, or a team's whole schedule, straight to your calendar.
- **Share:** every game has a Share button with its own link.
- **Live ticker:** scores from games in progress run along the bottom of the screen.

FOR CREATORS: SHARING THE TIP-OFF

- **Link to a specific game.** Open a game and tap **Share**. The link opens that game's "Where to watch" page directly, great for "here's how to watch tonight" posts.
- **Link to the full guide.** `thetipoffguide.com` always shows today's games first, so the same link works every day.
- **Tell your audience about My Teams.** Viewers follow their team once and get its next game every time they come back.
- **Free games are your friend.** Use the **Free** filter to find games your audience can watch without paying.
- **Links preview nicely.** Shared links show The Tip-Off card in texts, Slack and on social media.
